Autumn Term ~ September 23rd, 2018

## Open times for parents to visit classes

The purpose of this is for you to see the classroom, take a look at what your child has been doing in class, and the teacher will be there to answer any questions you may have. An example of the class reading books will also be available for you to see. Please take note of classroom displays as they will give you an idea of what level of work your child is doing in class and how the displays support their learning in class. It is very informal and there will be no need for an appointment. The classroom and the teacher will be available from 3.30pm to 5pm on Oct 22nd. Tea and coffee will also be available in the school hall.

### Nursery

Nursery parent can visit their classroom at 11am. Mrs Shuffs will open the doors early at 11am, for parents and carers to see the classroom with the child. This is instead of the evening session for full time pupils.

### Mrs Fry

Year 1 parents.

Mrs Fry is making a recovery but has to follow doctor's orders. She will be absent all this week and she will let us know if she is able to return next week. The supply teacher covering her is able to stay with the class for continuity.

## Entry to full time school and year 7

Online admissions will be going live on 5th October 2018 for those pupils entering Reception 2019 and Secondary Yr 7 September 2019 and will close on 30th November 2018. Letters will be issued to schools week commencing 1st October 2018 in order that pupils can take them home for their parents attention.

## Year 6 peer support day

This took place last Wednesday. Year 6 pupils are now trained and more able to support younger pupils during the school day. This helps prevent bullying and promotes an ethos of care, support and guidance amongst the pupils. It has proved to be very successful in the past.

To all parents, guardians and carers,

The School Nursing Service aims to promote the health of the school-aged population and ensures help, advice and support is available to children, parents, guardians and carers.

When children enter reception class the care of your child is transferred from the Health Visitor to the School Nurse.

All schools have access to a named School Nurse. The School Nurse aims to inform, educate and support children and young people to make healthy lifestyle choices to enable them to become healthy adults.

The School Nursing Service is delivered by a team of School Nurses and other health professionals.

Further advice/information is available from your School Nurse who can be contacted:

9.00am – 5.00pm

Monday to Friday

To obtain your child's named school nurse contact number please ring: 01639 862801

#### **Parent forms**

Last week we collated necessary information regarding consent for local trips, photographs, medical information and who is able to collect your child from school. This is all essential safeguarding information. If for any reason you have not completed the forms please do so IMMEDIATELY. We wouldn't want anything to go wrong. Any queries please contact the school.
