Summer Term - April 12th
2019

Competition Time! Summer Fun

Are you a budding gardener? Why not enter our latest Eco Competition? We want to see who can grow the tallest sunflower plant ready to go into our school garden. You will be able to buy your potted seed Friday morning and afternoon outside school from Alan and June. All we ask for is a small donation (under 50p) to go towards resources for our Eco Committee in school. Once you have entered you need to help your sun flower seed grow, ready to bring back to school after half term. A text will come out to remind you to bring it back! Good Luck! Let's get growing!

Spare uniform

Do you have any uniform that your child has grown out of please? Any sizes. If so please could you donate them to school. We will be able to use them or we can pass them on to an organisation in port talbot that provides uniform for families who those children who are less fortune. Many thanks.
