Lollipop Lady

School has been informed this week that Elizabeth Mogford, our lollipop lady will be unable to return due to ill health. We have had a message saying that she misses doing the job lots and she misses the families and the children especially. As a school we have sent on our best wishes and thanks. Let's hope she has a long and happy retirement.

Calendar

There are lots of new entries so please check it out.

Sports Day

Foundation phase events will take part in the morning, and that includes the nursery children. Key stage 2 events will take place in the afternoon.

All nursery children will need to attend the morning session. There will be no nursery in the afternoon. Mrs Shuffs will send out more details soon.

May Day 2020

Just in case you have missed it on the news. Bank holiday May Day has been moved back to May 8th to recognise 75th anniversary of VE Day.

Uniform grants

Grants are available to support families with the cost of uniform, shoes, coats, PE kits, equipment etc.

Technology safety

Reminder - please keep a very close eye on what your child is searching for on their phones and tablets. You can set parental blocks on your wifi and your child's devices. We will provide you with more information on how to do this soon. In the meantime try and find out yourselves. We know that some children are looking at material that is likely to scare them, confuse them and lay them open to safeguarding issues. Please protect them!

Funding is available to pupils who are eligible for free school meals entering reception class, year 3, year 7 and year 10. The funding is available to all pupils who are looked after by the local authority. Closing date for applications is December 31st 2019. You can apply online at www.npt.gov.uk or download the form and post it to Neath Port Talbot civic centre. Any queries contact school and family support on 01639 763515.

Be aware!

It has been brought to our attention that there is a you tube 'series' called Jeffy. We do not advise that you watch this as the makers are earning their money on the number of views. The clips are vile, inappropriate and the use of language is foul!! Children are watching it because it appears to be a puppet show but the content is most certainly for adults only! Staff are alarmed at the content and very concerned that this has reached children. Please check to see if your child has been watching these clips. Also place parental controls on all devices and your home wifi.
