Summer Term - July 22nd 2019

End of year

Another year gone! Time flies! We have had some significant moments through the year that have created some very happy memories. It has been another successful year for the school and there are exciting times ahead too. Coming out of special measures was a big highlight of the year and becoming a yellow band school was the icing on the cake, as they say. The school is successful and the pupils are making good progress. With the introduction of the new curriculum approaching we are all quite excited about taking the changes on board and making sure that learning is fun and engaging for the children.

The children have all worked extremely hard and we are very proud of them. They are an absolute pleasure. Well done boys and girls! Thank you to the staff once again for their commitment and enthusiasm. Eastern has a wonderful team who contribute successfully to the caring, welcoming happy ethos of the school. It is a great place to work! Thank you also the governors of the school who have supported us through some very tough times and also helped us to celebrate the successes also!

Farewell

Good luck to Mrs Evans, the teaching assistant who has chosen to take a different route in her career and is looking forward to working with family services. We wish her well and good luck for her new ventures. I dare say Mrs Evans will be in contact with members of staff, she has worked at the school for 17 years and has made some good friends. It is a very special place for her still.

Mrs Shuffs - Nursery

We said goodbye to Mrs Shuffs last Friday too. We wish her a long and happy retirement! Thank you so much for all your work with our nursery. It is much appreciated.
