

Eastern News

Friday 18th October

Good news from our school kitchen staff this week! Once again this year, the kitchen team have been awarded a 5* rating by the food standards agency - just goes to show that hard work pays off! (As part of our 'what matters' statements, it would be nice to hear the children saying 'thank you' to the chef - ask your child if they have!)

Congratulations!

More wonderful news, as Mrs Reynolds has become a mum to a beautiful baby girl! Both Mrs Reynolds and baby are doing very well indeed and we all wish them the very best and look forward to seeing them both in school very soon!

What is happening in our diary?

Planning Ahead

If you have pre-school children or babies (0-3) that will be attending our school, can you please contact Mrs Thomas in our Nursery classroom, or our school office to give us a few details including name and date of birth. This allows us to plan ahead for the future and provide the best possible school for all of our pupils.

School Times Reminder...

Breakfast club doors open at 8:15

School gates open at 8:40

School gates close at 8:50

School starts at 8:50

There are only a few regular latecomers left now, as nearly all of our pupils are on time and ready to get stuck in! Being on time is good habit building for your children when they go to comprehensive school; when they have to get up for work; when they are taking their own children to school in years to come! Help them learn this habit now, it'll make it much easier for you when they go to comp (I'm speaking from experience here!!)

A quick note on support...

There are many ways to access support or help for everyone in our school community; it comes in many different forms... please, never be afraid of asking for help. We are always here to support you.
