The Project Development & Funding Unit
 Port Talbot Civic Centre
 01639 763390/763552
p.hinder@npt.gov.uk / e.stanton@npt.gov.uk

Community Grant

Community grants are available from the wind farm. See poster opposite. Poster is also displayed in the information board outside the main entrance.

If you are worried that your child is falling behind on their learning due to low attendance please come and discuss this with us. They may need extra support due to the time they have lost.

How many days has your child been off school and lost hours of learning?

1 day = 5 1/2 hours
 2 days = 11 hours
 3 days = 16 1/2 hours
 4 days = 22 hours
 5 days (one week) = 27 1/2 hours

Who is picking your child up from school?

Please let us know if it is anyone different picking your child up from school. They will not be handed over to anyone unless it has been confirmed by yourselves as parents. This is to ensure we are keeping your child safe and we hope you can understand this. Please do not be offended if we do not handover your child to someone we don't know!!

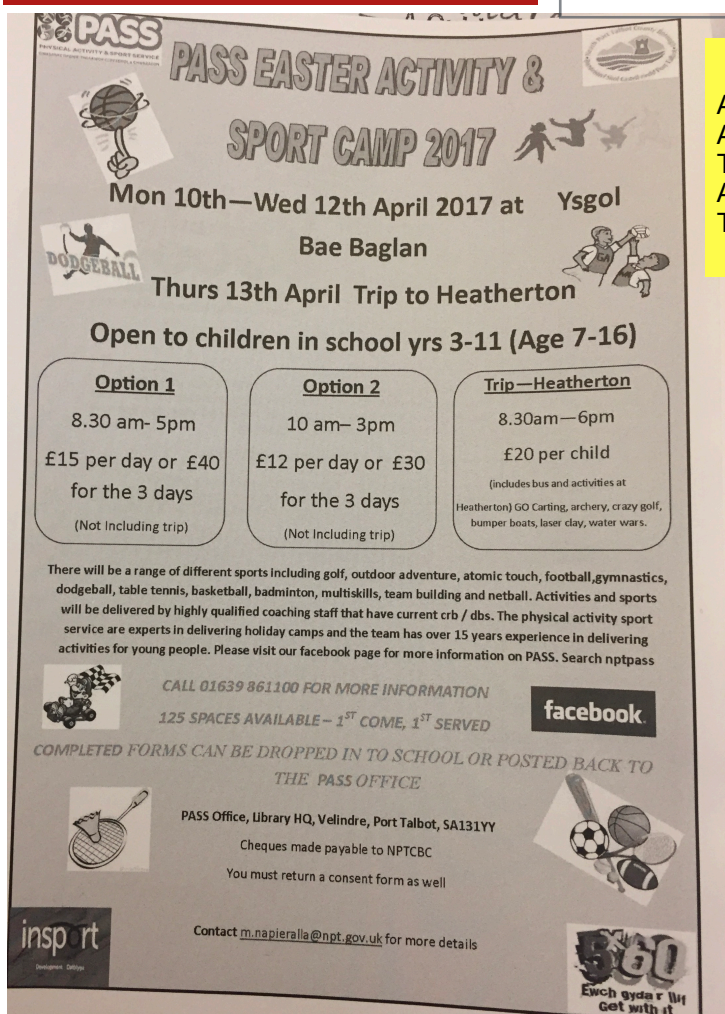

Parking

Please can I remind all parents to be mindful of where they park in the street. Drivers should not park in residents parking area. Residents have paid for these spaces and complain to the school when they are unable to park outside their homes. They have made enquiries with the council and they can apparently photograph the car and report it. I know the parking situation is difficult but please try and think how you would feel if this was your problem.

See Saw

It's great to see parents looking out for their children's work on see saw. It is a great way for you to see what is going on in class. If you haven't signed up to it please let us know and Mrs DeClaire will sort everything out for you. School pay the costs of this programme and it doesn't cost you anything so please take advantage of it whilst you can. The more parents that use it the more we can justify the cost too. It really is very good. Ask your children to show you.

Reminder - if your child is having a problem in school with another pupil please come and talk to the teacher so that we can work together on this. School policy does not encourage children to fight as a means of defence!
